PREACHING AND PRACTICE.
It is easy to sit in the sunshine
And talk to the man in the shade.
It is easy to float in a well trained boat,
And point out the place to wade.

But once we pass into the shadows,
We murmur and fret and frown,
And our length from the bank, we shout for
a plank.
Or throw up our hands and go down.

It is easy to sit in your carriage
And counsel the man on foot,
But get down and walk and you'll change
your talk,
As you feel the pang in your boot.

It is easy to tell the toller
How best he can carry his pack,
But a one can rate a burden's weight
Until it has been on his back.

The up-curred mouth of pleasure
Was grate of sorrow's worth;
But give it a sip, and a wry lip
Was never made on earth.

Competition the Life of Trade—The Western Union to Have a Competitor in This City

If indications signify anything the Western Union Telegraph Company will soon have its wings clipped and shorn of some of its automatic power in this city in being the sole arbiter of telegraphic toll, a sinecure it has enjoyed for half a century.

For a week past W. M. Smith of Chicago, representing the Postal Telegraph Cable Company, the main office of which is located in New York City, has been in the city and county quietly preparing the preliminaries for the entrance of the line and establishment of an office in Maysville.

He has been successful in securing the right of way over territory through which the line will be located, and there remains but minor details to finish up when his mission here will have been completed.

The main line will be tapped at Falmouth and pass through Brooksville and Germantown to this city, thence to Huntington and Charleston, W. Va.

This line reaches out all over the United States, with connecting cable links with all parts of the world.

The Bracken Fiscal Court has authorized a vote to be taken on the question of issuing bonds in the sum of \$25,000 for improvement of pikes, and \$35,000 for erecting a Court-house and county offices at Brooksville, the vote to be taken at the regular November election this year.

C. and O. Loses Suit

The judgment of the Lewis Circuit Court was reversed by the Court of Appeals in the case of L. P. Plummer against the Chesapeake and Ohio Railroad of Kentucky, Judge Carroll holding that Section 765 of the Kentucky Statutes had not been complied with when the C. and O. Railroad Company of Virginia purchased the C. and O. Railroad Company of Kentucky in July, 1907. Plummer had been injured while loading tan bark in a freight car on the C. and O. Railroad in Lewis county and secured \$1,500 damages. The Railroad Company offered as its defense the fact that the suit had been brought against the C. and O. Railroad Company in Kentucky, when it should have been brought against the C. and O. Railroad Company in Virginia.

A VISIT

To J. C. Cabish & Bros.' Hatchery Will Pay You—Pretty Sight

To those who have never witnessed the *modus operandi*, the manner of producing chickens by the incubator process is an interesting and novel one, and certainly worth seeing. Cabish Bros., the Third street grocers, have installed a hatchery in the rear of their store room, fitted with all the necessary machinery for the purpose. Yesterday was the day for coming forth of the twenty-one days' setting—or you may call it by another name if you like—and to see the egg shell open and the wee, fuzzy chick step forth and chirp, was an odd and pretty sight. About seventy-five were brought forth yesterday, and in two minutes after coming out of the shell they were hopping about as lively as crickets. Drop in and take a look, you will not regret it.

It will be welcome news to dyspeptics to learn of a remedy that, in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Pepsin.

We all know the value of pure pepsin in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthy of Worsythe, Ga., got to the point where he could not even eat or digest anything and after many years of seeking he found the cure in Dr. Caldwell's Syrup Pepsin. Mr. Rudy Kasper of Moline, Ill., was in the same bad predicament with his stomach, took Syrup Pepsin and is now cured. Hundreds of others would gladly testify.

It is a guaranteed cure for indigestion,

THEY are going after the vote-sellers in Floyd county. Why always the "vote-sellers?" Why not the vote-buyers for a change?—Louisville Herald.

THE matter of building a new County Infirmary and securing a higher and better location is a very easy matter. Now that the Grand Jury has condemned the Infirmary, the Fiscal Court should go ahead and purchase new grounds and sell the present site, which is quite valuable, and erect a new County Infirmary. The "initiative and referendum" is not needed, at least the referendum part of the game. It is a matter of necessity and expediency; the health and the lives of the inmates are at stake. It is up to the Fiscal Court to act now, and at the very first session of that body the start should be made and the plans outlined for the securing of a "Bluegrass site" near Washington, where the farming and water are good and where the unfortunates may have a home worthy of the name.

Will Be the Total Sales at Maysville This Season—125,000

Pounds of Missouri Weed
on Sale Today

Mr. A. H. Shinkle of The Farmers' Loose Leaf Warehouse informs THE LEDGER that the total sales of tobacco at his house will reach about 10,000,000 pounds this season, about double those of last year.

Manager Jones of the Tuck-Ho Warehouse informs us that he will have 125,000 pounds of Platte county, Missouri, tobacco on sale today at his house.

He says the Missouri weed is superior in texture, color and oil to the Kentucky Burley and that the yield is 2,000 pounds to the acre. The average price obtained in the Maysville market for this tobacco has been \$9.60 per hundred, which is a dollar or two higher than our tobacco sells for.

Mr. Jones says he has 400,000 pounds of Missouri tobacco to go on sale and that his total sales of Missouri weed will reach 1,000,000 pounds.

The total sales this season at the Tuck-Ho will reach nearly 8,000,000 pounds.

It will be a month yet before the spring sales close.

A Guarantee To Rheumatics

Treatment of Rheumatism Revolutionized by Simple Remedy Which is Absolutely Guaranteed.

Startling new features are presented in the new remedy called D-M-F, which has lately been the subject of wide attention among those afflicted with rheumatism and lumbago, gout and neuralgia. Physicians, too, have given this remedy an approval which

has never been accorded to other rheumatic treatments. Dr. C. W. Beson, prominent in Oklahoma and the Southwest for his success in the treatment of rheumatism, states that he is willing to stake his professional reputation on the fact that D-M-F will cure even so-called incurable cases.

D-M-F has produced results almost unbelievable. Not only for fresh, new cases, but also for long chronic and serious cases has it proved one of the most remarkable remedies ever produced. It has the unique feature of "signaling" to the patient by means of peculiar symptoms, the progress of uric acid elimination.

C. H. Fargo, of Warsaw, N. Y., says: "I had rheumatism about seven years. I started 'D-M-F,' and by George, inside of six weeks, I was cured." C. T. Watson, also of Warsaw, N. Y., says: "I suffered with terrible rheumatism for five years, all crippled up for days at a time. I began taking 'D-M-F' and felt an improvement within two days, and two bottles cured me. My case was a bad one."

D-M-F is guaranteed as to results. Many of the most terrific cases imaginable have been quickly conquered by its peculiar, powerful, yet safe action, in two or three weeks.

D-M-F is absolutely free from opiates or dangerous drugs. Read about its wonderful action in the circular packed in every D-M-F carton. Read the guarantee.

Get D-M-F at your druggist's at \$1.00 a bottle. If you are satisfied with it, as you will be, get 6 bottles for \$5.00, and get rid of your affliction. If your druggist can not supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 2715 Lincoln Ave., Chicago, Ill. The first bottle will convince every sufferer.

"D-M-F" is recommended and sold in Maysville by J. James Wood & Son.

At Dover 350 hogsheads of pooled Burley tobacco have been shipped during the past ten days to the Cincinnati market to be sold.

CHAPTER OF ACCIDENTS

Barn and Seven Horses Burned

Negro Asphyxiated While
Sleeping on a Live Cinder
Bank—Fire Alarm From Dis-
trict No. 36

The bright light in the Southern sky this morning between 3 and 4 o'clock was caused by the burning of Mr. Joseph R. Davis' dairy barn, situated on the Hill City pike three miles from Maysville.

The conflagration was the result of a stroke of lightning, and when discovered by Mr. Davis the flames were under full headway, and, notwithstanding he succeeded in freeing the eight head of horses, seven of the number ran back into the barn and were burned to death, together with a lot of farming implements and other contents.

Mr. Davis' loss is estimated at \$1,200, with an insurance of \$300 in the Mason County Mutual Insurance Company.

Victor Caldwell, aged between 25 and 30 years, whose home is in Cynthiana, Ky., was found dead this morning about 5 o'clock by a C. and O. brakeman. The body was lying on the live cinder bank near the water tower at the West End C. and O. Depot, where, it is supposed,—the man being drunk—he found a warm spot and lay down to sleep off his debauch and was asphyxiated from the fumes and gases arising from the smouldering cinder pile.

It is said the dead man belonged to Wells' construction crew, now working on the C. and O. near the coal docks in the East End.

His body was removed to Coughlin & Co.'s undertaking rooms, where Coroner Slack will hold an inquest today.

Last night a few minutes after 10 o'clock an alarm was sent in from District No. 36. The calling out of the Department was caused by sparks flying and thick clouds of smoke filling the street in East Second in the vicinity of Eagle Hall and Dickson & Co.'s livery stable. Chief Hite and crew and the Kinney Mac were there to do business, but when the smoke lifted and the sparks ceased flying in the air, it was seen their services were not needed.

I could not afford to so strongly endorse Rexall "93" Hair Tonic and continue to sell it as I do, if it did not do all I claim it will. Should my enthusiasm carry me away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in me and my statements, and in consequence my business prestige would suffer.

I assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness.

My faith in Rexall "93" Hair Tonic is so strong that I ask you to try it on my positive guarantee that your money will be cheerfully refunded if it does not do as I claim. Two sizes, 50c and \$1.00. Sold only at my store —The Rexall Store. Thos. J. Chenoweth, Second and Sutton streets.

Fifteen Children at One Birth

By Bonbon News.

The most remarkable record to become a part of the vital statistics of Trimble county was made public by J. E. Ray, a traveling salesman, who has been in Paris several days and whose home is in Milton, Ky. Mr. Ray received a letter from a relative in Milton, stating that Mrs. Charles Dolby of that place gave birth to fifteen children. The babies were from three to four inches in length, perfectly formed, and though minute in size were well developed. None of the children lived.

A Strange Story

Argyle, Mich.—Mrs. William H. Carson in a letter from Argyle, says: "I was almost wild with pain in my head and other severe pains due to womanly troubles. Cardui gave me great relief at once. Further use of Cardui raised me from my bed of agony. Cardui saved my life, and I can't be thankful enough for what it did for me." Whether seriously sick or simply ailing take Cardui, the woman's tonic. As a general tonic for women, to improve the appetite and build up the constitution, Cardui is in a class by itself. Those who have used it say it does the work; it relieves, it cures. Try it. Your druggist has it.

**20% UNDERFEED
INVESTMENT**

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

**PECK-WILLIAMSON UNDERFEED
FURNACE OR BOILER**

Choose the system you like best—warm air, steam or hot water. Cheap slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 1/2 TO 1/2 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.
